Hi Privacy :

Hope this message finds you well, and that all is back to normal with your family.

I wanted to reach out and check in on you, to see how things are going in your neighborhood.

Is there anything I can assist you with?

Please let me know when you have a moment.

Thanks in advance; I look forward to hearing from you.

Best,
George

Theft just about every week now. Here's a video over the weekend after catching a thief stealing a bike . We caught home though. Just got off the phone with the detective. He's is being charged with felony assault due to him trying to stab me and throwing a brick and hit me in the arm. Nevertheless every one on the block is tired of the crime and these new rules set up. Literally now prosecuted crimes.

Hi Privacy,

This is terrible to hear -- can you confirm that this is at the Priv Privacy location?

Have you or your neighbors met with LAPD and the City Attorney on the overall issue of crime? I am happy to coordinate a meeting with everyone so we can start a neighborhood watch on your block.

Please let me know if that works. I am happy to connect with you over the phone tomorrow as well, if you'd want to go into greater detail about this and other issues in the area.

Thanks and I look forward to hearing from you.

Best,
George

I would also like more information about the low income building being built on the corner. Is it going to be a homeless shelter or a low income building for families and working class folks.

Hi Privacy,

The building you are referring to is not going to be a homeless shelter. It will provide 35 units of much-needed affordable housing to the neighborhood, with one market-rate unit. You can read more about the project [here](#).

But going back to my original e-mail, I would like to set something up with you, your neighbors, the Senior Lead Officer, and the Neighborhood Prosecutor so we can work together to address public safety in your neighborhood.

Please let me know if you'd be interested in pursuing this and I will reach out to law enforcement immediately upon your confirmation. I can even offer our District Office as a meeting space outside of the neighborhood if you would prefer that as well.

Thanks, and looking forward to hearing from you.

Best,
George
